Pilgrim's is an Equal Opportunity Employer

Program Overview:

Pilgrim's offers an exciting, fast-paced work environment, a culture of mutual respect and teamwork, and the opportunity to play a vital role in our growth. We have crafted our internship program as the first step in a long-term career path. We are committed to taking high caliber individuals to the height of their potential, thus building a proven and knowledgeable bench for future Pilgrim's leadership.

A ten to twelve week Summer Internship in will introduce you to our company, our processes and our industry. Through the intern program you will gain hands on experience in a poultry processing complex, broadening your understanding of poultry production and the skills and competencies that will lead to long term career success. While you will be focused in one or two areas of the complex, the program has components that are designed to provide you with an opportunity to gain exposure to various disciplines while allowing you to build a network of contacts around the complex.

The Pilgrim's internship is an intensive experience. You will have immediate responsibility for tasks and projects that directly affect our profitability. By giving us your perspective and insight, you enhance our capabilities as a company. At the end of the internship, successful interns have the opportunity to be considered for future placement in the Ascend Leadership Training Program or other full-time positions with Pilgrim's.
