

Agricultural Education Coalition

“AGRICULTURAL EDUCATION PREPARES STUDENTS FOR SUCCESSFUL CAREERS AND A LIFETIME OF INFORMED CHOICES IN THE GLOBAL AGRICULTURE, FOOD, FIBER AND NATURAL RESOURCE SYSTEMS.” – AGRICULTURAL EDUCATION MISSION

Agriculture is Tennessee’s number one industry and requires a capable workforce to fuel growth and innovation. Tennessee’s students need access to best-in-the-nation agricultural education courses, training and programs.

By joining the Agricultural Education Coalition, you are expressing your support for the agricultural education mission stated above. Members of the Agricultural Education Coalition believe that every student, college-bound or not, should be equipped with career ready skills when they graduate high school.

The Agricultural Education Coalition supports priorities identified by the Task Force for Agricultural Education and Youth Participation. Those priorities are focused on improving classroom and laboratory instruction, students’ Supervised Agricultural Experience projects, and the FFA program.

The Agricultural Education Coalition is organized by the Tennessee Association of Agricultural Educators (TAAE) and your local FFA Advisors to improve agricultural education in Tennessee. Members of the Agricultural Education Coalition proudly support their local agricultural education programs and FFA chapters.
