

Employment Skills

Purpose

The Tennessee FFA Employment Skills Leadership Development Event is designed for FFA members to develop, practice, and demonstrate skills needed for employment in the agriculture industry. Each part of the event simulates, as closely as possible, real-world activities that real-world employers use.

Event Rules

- FFA official dress is required for this event.
- All written materials, including a cover letter, resume, etc., will result from each participant's efforts.
- The job description, cover letter, and resume must be uploaded by the designated deadline as communicated by Tennessee FFA state staff. A 10% penalty will be assessed on documents submitted late. Any document that is submitted one week after the deadline will receive a score of 0.
- Contestants can be in possession of their resume, cover letter, and padfolio throughout the duration of the event.
- The event coordinator will check padfolios before competition to verify that the only printed materials the contestant has are as follows: business cards, cover letter, list of references, cover letter, and resume.
- The follow-up correspondence should only be completed during the follow-up correspondence portion of the event at State Convention.
- The top two contestants from each region will compete at the state contest.

Event Format

The event is developed to help participants in their current job search (for their Supervised Agricultural Experience (SAE) programs, internships, and part-time and full-time employment). Therefore, materials submitted by the participant must reflect their current skills and abilities and be targeted to a job they would like to apply for. In other words, participants cannot develop a fictitious resume; they must utilize their actual experience. They are expected to target the resume toward a real job for which they presently qualify.

Equipment

Participants are required to bring the following items to the event:

- Writing utensils.
- Laptop or tablet capable of a Wi-Fi connection

Participants are permitted to bring these items:

- Blank paper
- Copies of their resume and cover letter as submitted at the designated deadline for the event
- List of references
- Business cards
- Padfolio

The following items are **not** permitted:

- Letters of reference
- Samples of work
- Pictures
- Personal pages

Items to be electronically submitted before convention

Participants will electronically submit the following in PDF format:

- Job description
- Cover letter
- Resume

A penalty of 10% will be assessed for documents received after the submission deadline. If the document is received more than one week later, they will be scored at a 0.

Job description

- The job description is required for the judges to score sections of the event. The job description will not be scored but is a required submission.
- Participants who fail to submit this component will be subject to disqualification.
- The job description should include a description of the position the student is applying for, desired qualifications for the job, and work experience.
- Sources for job descriptions can be found in the newspaper or online through job searches and company websites.

Cover Letter (100 Points)

The cover letter is to be typed, one page, single-spaced, left justified using Times, Times New Roman or Arial 10 to 12-point minimum font.

The letter is to be dated for the first day of the national event in Indianapolis and addressed to:

Resume (200 Points)

The resume should not exceed two pages in total. If necessary, a complete list of references may be included on a third page, but references are the only information to be included.

The resume must be non-fictitious and based upon actual work history.

Items to be completed before convention

Electronic Employment Application (50 Points)

Participants will complete a standard electronic job application at State Convention. The application will be completed online and the participants will have 30 minutes to complete the application. Additional time may be given at the discretion of the event coordinator if technology issues arise. Additionally, in the event of a technology failure, paper-based applications might be substituted.

Personal Face-to-Face Interview (500 Points)

The personal face-to-face interview will be with a panel of judges. Each interview will last 15-20 minutes. This interview will focus on more in-depth questions about the students skills, work experience, expectations, leadership, problem-solving, decision-making, organizational skills, and any other questions deemed appropriate by the interview panel.

Follow-Up Correspondence (75 Points)

Participants will submit a follow-up correspondence via email after completing the interview. Participants will receive the necessary information and instructions to compose the follow-up correspondence. Participants will have 30 minutes to complete the follow-up correspondence.
