After typing in the web address www.judgingcard.com, this is where you log in. The Username and Password are the exact same thing – your chapter number: TN#### - the log in is case sensitive, therefore, you need to use capital letters when typing in TN.

From the “State” dropdown menu, you will need to make sure that “TN” shows. If another state shows, then you will see events for that state and not Tennessee. Also, you will need to select the month of the event. If you are registering for an event that happens in October, you will need to select “Oct”, for example. Only events for the month selected will show.

 On this page there are three things. First is the cost – the cost / team will always say \$0.00 unless we begin charging a fee for supplies.
  The # Registered will always say “0” until you have actually listed students.
  The most important button is the “Registration” button – click this to register for the event.

➔ Once you have submitted entry for a CDE, you then need to make sure that you order the scan sheets needed for the event. Click on “Order Scan Sheets”. (Hint: some teachers order more than they need so that they don’t have to place an order every year.) It is the teacher’s responsibility to make sure that his/her students have scan sheets at a CDE.

Step 1 of 4: **Quantities** -> Address -> Shipping -> Place Order

DO NOT click "Forward" or "Back" on your browser; use the buttons above!
 Indicate the quantity and type of scan sheet you'd like to purchase. You may order scan sheets in multiple tabs. When you're done, click "Next Step".
