

Livestock Evaluation

Purpose

The livestock evaluation career development event provides the opportunity to learn and apply livestock industry and production priorities through evaluating and selecting beef cattle, swine, sheep and meat goats.

Objectives

Participants in the Tennessee FFA Livestock Evaluation Career Development Event will be able to

- Make accurate observations of livestock.
- Determine the desirable traits in market and breeding livestock.
- Make logical decisions based on these observations.
- Discuss and defend their decisions for their placings.
- Understand desirable selection, production, management and marketing techniques for livestock.
- Understand and interpret the value of performance data based on industry standards.
- Select and market livestock that will satisfy consumer demands and provide increased economic returns to producers while meeting the needs of the industry.
- Proficiently communicate using the terminology of the industry and the consumer.
- Associate with professionals in the industry.
- Utilize current technology as it relates to the livestock industry.
- Develop employability skills for future agricultural career choices.

Event Rules

- Each team will be comprised of four members. All four scores will be used to determine the total team score.
- FFA official dress is required for this event.
- The top four teams from each region will compete at the state contest.
- Any participant possessing an electronic device in the event area is subject to disqualification.

Event Format

EQUIPMENT

Materials students must provide:

- Two No. 2 pencils.
- Clean clipboard

INDIVIDUAL ACTIVITIES (200 POINTS)

Keep Cull (50 points each with 150 points total)

Keep/cull classes: This portion will be paper based only. This may be beef, swine, sheep, or meat goats. Participants will be provided a scenario and performance data and will be required to select the four best animals from the eight using performance data. Performance criteria, when used, shall be based on current industry standards. This will be an individual event.

Livestock evaluation/placing classes (50 points/class, 450 points total)

Eight classes of four animals each will be placed. Classes may be breeding or market animals from beef, swine, sheep or meat goat species. At least one class will include the use of production/performance data.

Oral reasons (50 points/class, 200 points total)

Three sets of oral reasons will be designated by the event superintendent at the beginning of the event. One set of reasons will be given on a production data class. Reasons will be given after all classes have been placed. Participants will be provided paper to take notes on each reason class for preparation. The use of notes during the reason presentation is strongly discouraged and students will be penalized for reading from their notes.

Scoring

All team member scores will be used to determine final team placing.

Activity	Individual Points	Team Points
Classes – 8 at 50 points each	400	1,600
Reasons – 3 at 50 points each	150	600
Keep/cull – 1 at 50 points each	50	200
MAXIMUM POSSIBLE POINTS	600	2,400

TIEBREAKERS

If ties occur, the following events, in order, will be used to determine individual and team outcomes:

1. Total of oral reasons.
2. Total of placing classes.
3. Total of keep/cull classes.
