RE: Nominating Committee Applications

The nominating committee to select the 2021-2022 Tennessee FFA State Officer Team will include six current FFA members, two from each region. The student committee members will be selected from applications submitted to the regional consultants. An application form is attached. Please encourage members to apply that you feel will represent the FFA in a positive manner and will be conscientious in the selection process.

In order for the process to work as designed, we need two quality committee members from each region. This will be an excellent learning process for any member and will be especially beneficial for any student who is thinking of running for a state office in future years. Pass this information on to your students.

Please review the enclosed application carefully. See below for method of submission based on your region. The completed application must be received by this deadline in order to be considered.
