Consists of five open-book parliamentary procedure research questions using the current (12th) edition of Robert's Rules of Order Newly Revised. Participants will be allowed 30 minutes to complete Part I of the exam. All team members are required to provide their own copy of the most current edition of Robert's Rules of Order Newly Revised. It is allowable to have highlighting in your book and tabs. It is not allowable to add written pages to the RONR or have written additional notes.

An example of one research question is outlined below:

- Responses to the research questions in the written exam will require referencing to the Section and Paragraph in the 12th edition of RONR.

Part II

Forty-five(45) multiple-choice questions taken from *the last five years of National FFA Parliamentary Procedure LDE tests*. Participants will have one hour to complete Part II of the exam. **NOTE:** [References](#) and materials **cannot** be used for this part.

The average score of the six team members will be used to compute the total team score that will be utilized for each round.

PRESENTATION (500 POINTS OR 50%)**1. Item of Business**

Each team will address a local chapter item of business, which would normally be a part of a chapter's program of activities (consult FFA.org, the Official FFA Manual and Student Handbook for specific activities and current programs.) The motion will be specific and must be moved as an original main motion as it is written on the event card.

Motions not on the chart of permissible motions, or secondary motions and debate applied to them, will not be scored.

2. Event Card

There are 25 permissible motions in the national FFA event. From the list of permissible motions, the event officials will select two subsidiary motions, two incidental motions and one privileged motion or a motion that brings a question again before the assembly. These motions will be on an index card, and one will be randomly assigned to each team member. Motions must be demonstrated in the classification that is indicated on the motion card (i.e. privileged, subsidiary, incidental, motions that bring back again before the assembly).

All teams in each section will be assigned the same motions. Team members will have one minute to review the main motion, the motions to be demonstrated and to identify his/her motion (which may be noted by bolding, underlining, or highlighting). Members may not confer or use nonverbal communications during the one-minute time period or during the demonstration.

SAMPLE CARD

Main Motion:

I move that our chapter send two delegates to WLC.

Required Motions:

Lay on the Table

Amend

Suspend the Rules

Appeal

Recess

3. Opening and Closing the Demonstration

The team demonstrating shall assume that a regular chapter meeting is in progress and new business is being handled on the agenda. The chair shall start the presentation by saying, "Is there any new business?" Time will stop when the chair declares the meeting adjourned.

Original Main Motion: The event official will assign the main motion on an index card; no other original main motions may be used. Making other original main motions that are not on the event card will result in a 50-point deduction from the overall team presentation score.

The assigned original main motion is to be the first item of business presented, unless, Take from the Table, Reconsider or Rescind are required on the event card. If any of these motions are on the event card, the team may choose to demonstrate the motion at the beginning of their demonstration or at the end of the demonstration, after they have disposed of the original main motion. Points are only deducted if a parliamentary error occurs or if event time requirements are violated. If this is the case, an alternative main motion for Take from the Table, Reconsider or Rescind will be provided.

The person who makes the assigned main motion will be given credit for an additional motion.

4. Secondary Motions

There is no limit to the number of subsidiary, incidental and privileged motions that a team may demonstrate.

A member's required motion will not be counted as an additional motion for another member. No motion may count as an additional motion for more than one member.

Incidental and privileged motions cannot be demonstrated as incidental main motions.

Only motions listed in the permissible motions chart will be counted for required and additional motions.

5. Individual Member Recognition

A member may speak in debate on the main motion and conclude by offering a secondary motion. Judges will award points accordingly for both the debate and the secondary motion.

Omission of the assigned motion by the assigned member on the event card will result in a 50-point deduction from the overall team presentation score.

6. Motions that bring a question again before the assembly

If the officials in charge designate Take from the Table, Rescind or Reconsider as a motion to be demonstrated, a scenario will be included on the event card. These motions shall not be used unless listed on the event card as a required motion.

7. Call for the Orders of the Day

If the event officials designate call for the orders of the day as a motion to be demonstrated, a scenario will be provided on the event card. Participants are to assume that a motion was postponed at the last meeting and made a special order for a time during the current demonstration.

8. Debate

The top four debates per member will be tabulated in the presentation score. No more than two

debates per member per motion will be tabulated, even if the subsidiary motion to extend the limits of debate has been passed.

9. Time Limit and Deductions

A team shall be allowed 11 minutes in which to demonstrate knowledge of parliamentary law. A deduction of two points/second for every second over 11 minutes will be assessed. A timekeeper will furnish the time used by each team at the close of the event.

- Example: Time of 11:05 = 10-point deduction.

ORAL QUESTIONS (100 POINTS OR 10%)

The team members (not including the chair) will be asked a planned question, which may include one to three parts, relating to their assigned motion. No one may step forward to help another member answer their individual question. The chair will be asked a question relating to presiding, debate, assigning the floor or other general parliamentary procedures. Each member will be scored a maximum of 16 points for responses to questions. Chair will be scored at a maximum of 20 points. Questions will be asked from the [Oral Questions CD Basic and Challenge by Shane Dunbar \(SKU: PARL-24C\)](#).

Clarifying Questions

The judges will have three minutes to ask clarifying questions related to the team's demonstration that may impact other aspects of team demonstration scores. Questions may be directed to the team or an individual member. Team members may volunteer to answer the question for the team or to help another member. This round of questions is not scored separately but is used to inform other aspects of the score card.
