- Participated in at least one (1) FFA activities above the chapter level.

Guidelines and Format

- A chapter may submit one applicant per year.
- Star Greenhand applicants should complete the FFA Star Application through the Application Manager on FFA.org. The application rubric will mirror the application type that the member completes on FFA.org. Example-if your candidate is completing a Star in Agriscience application, then the application rubric used will be Star in Agriscience.
- Applicants should attach a copy of their most recent SAE partnership, rental agreement, Family Corporation or occupational training agreement to the application.
- Applicants can use middle school records if applicable on the application.
- Applicants should include three (3) one-page letters of recommendation.
 - One recommendation should be submitted by the agriculture instructor
 - Two other recommendations should be submitted. If the SAE includes placement, please include at least one employer recommendation.
- All applicants will complete a written examination at each level of competition.
- All applicants will complete an interview at each level of competition.
- The first written examination will be conducted at the regional level to determine the regional winner. A selection committee will be established to interview each applicant and administer the examination. The selection committee will select the regional winner to compete for the State Star Greenhand at the state FFA convention.
- Each region may choose to recognize their winner with cash, scholarships, expense-paid trips or other types of recognition.
- All applications must be submitted to the respective regional coordinator of the Star Greenhand program by the date established in each region. Please note regional due dates may vary across the state.
- At the state convention, the State Star Greenhand applications will be scored. The maximum score for the application section will be 100 points.
- State Star Greenhand applicants will participate in an interview at the annual state FFA convention. The interview provides the State Star Greenhand applicant the ability to answer questions in front of a panel of judges about their FFA experience and their supervised agricultural experience program. All three stars will gather to give a two-minute introduction in front of the judges prior to the individual interviews. Each applicant will then proceed to the individual interview. The number of questions will vary per participant; however, the questions will be based on the student's individual application. The interview will be 10 to 15 minutes in length and will be worth 25 total points.
- A written examination of FFA knowledge with questions generated from a test bank on TNFFA.org will be given to the State Star Greenhand applicants at the state FFA convention. The test will be 25 questions worth 1 point each for a total of 25 points.
- Points Awarded
 - Application = 100 points
 - Exam = 25 points
 - Interview = 25 points
 - TOTAL = 150 points
