

School: Burlison HS

Posting: Full time Ag Ed Position (Focus on agriculture mechanics and food science)

Months: 12

Burlison HS is looking for a full time agriculture educator. The ideal candidate will demonstrate knowledge of teaching the three-circle model of agricultural education and be comfortable teaching in an urban school system with diverse students, respect diversity in a variety of contexts, and work cooperatively with an interdisciplinary team of teachers

The school is looking for someone who has a background in mechanics or food science. The school just implemented the food science program of study and also had a traditional agricultural mechanics pathway. The school has an active FFA program, and a strong alumni and community support.

Positions are 10 month teaching assignments with an additional 40 days of extended employment to support student SAEs, summer activities, FFA Camp, etc. Additionally, the selected candidate must be able to spend 4 weeks at two separate CASE Institutes during the month of June 2018. Additional CASE training will occur annually.

Please send a copy of resume and application to:
