Assistant Poultry Farm Manager Internship

Active Feed Company is seeking an Assistant Poultry Farm Manager intern. This individual will work closely with the Poultry Farm Manager to ensure egg quality, hen health, safety, and production requirements are being met. Active Feed offers competitive wages based on experience and location selection.

Responsibilities:

- Confer with farm manager to ascertain production requirements and to discuss condition of equipment and status of supplies.
- Assist in assigning worker duties.
- Participate in work activities to expedite work load.
- Assist in preparing employee schedule.
- Assist in preparing egg production and feed consumption reports.
- Other duties as assigned.
- Learn to identify issues with the poultry production process and provide proper direction when issues arise.
- Assist in grower communication and coordination.
- Assist in the preparation of reports regarding production.

Requirements:

- College major in animal science is preferred, but not required.
- Experience in working in an agriculture environment.
- Excellent communication skills.
- Detail oriented.
- Able to work weekends, varying hours including all shifts.
- Demonstrated ability to independently solve problems and make decisions.
- Valid drivers license.
- Proficiency with MS Office programs.

WORKING ENVIRONMENT:

Ability to work in a variety of indoor and outdoor settings including but not limited to hot, cold, dusty, damp, factory conditions, and office areas. Working more than a 40 hour work week, and some weekends may be needed per the needs of the business.
